Lecture 2

Sunday, February 10, 2013 8:34 PM

Just as we see significant difference between medieval and modern concepts of time, so do we find differences in the aesthetic presuppositions of the Middle Ages and our own period.

Imitation (bio of Charlemagne & works of Dante) was done using Latin models, creatively

Adding and Annotating Content

Working with Audio and Video 56 of 70

Take a moment to review the options. One of the most impressive features is the ability for OneNote to search audio and video clips for words and phrases. This feature increases the search time, but it allows you to search all of your recordings for specific topics.

▶ Position your mouse over the different Audio & Video sections, click the Cancel button, and then click the Play button.
